organisations

Feedback and surveys

Enterprise Europe Network in Bulgaria

- 14 partners
- Experienced in innovation and business consulting
- Covers the entire country

**How to go
international?**

**How to get to
funding from EU?**

**I need a business partner in
other country...**

**How to put in practice my innovative
idea or commercialize my technology?**

**How EU acquis affects my
business?**

EEN integrated services:

International market uptake:

- Helping SMEs in cross-border and international cooperation
- Search for business partners (distributors, subcontractors, suppliers, logistics).
- Information services (EU standards, customs regulations for import of goods and services, other EU legislation)

EEN integrated services (2):

Technology transfer and innovation:

- Assessment of technological advantages and needs of the SME
- Tailored recommendations for improving the innovation processes
- Exploitation and commercialization of R&D results:
 - transfer of new or improved product/processes
 - set-up of high-tech joint ventures

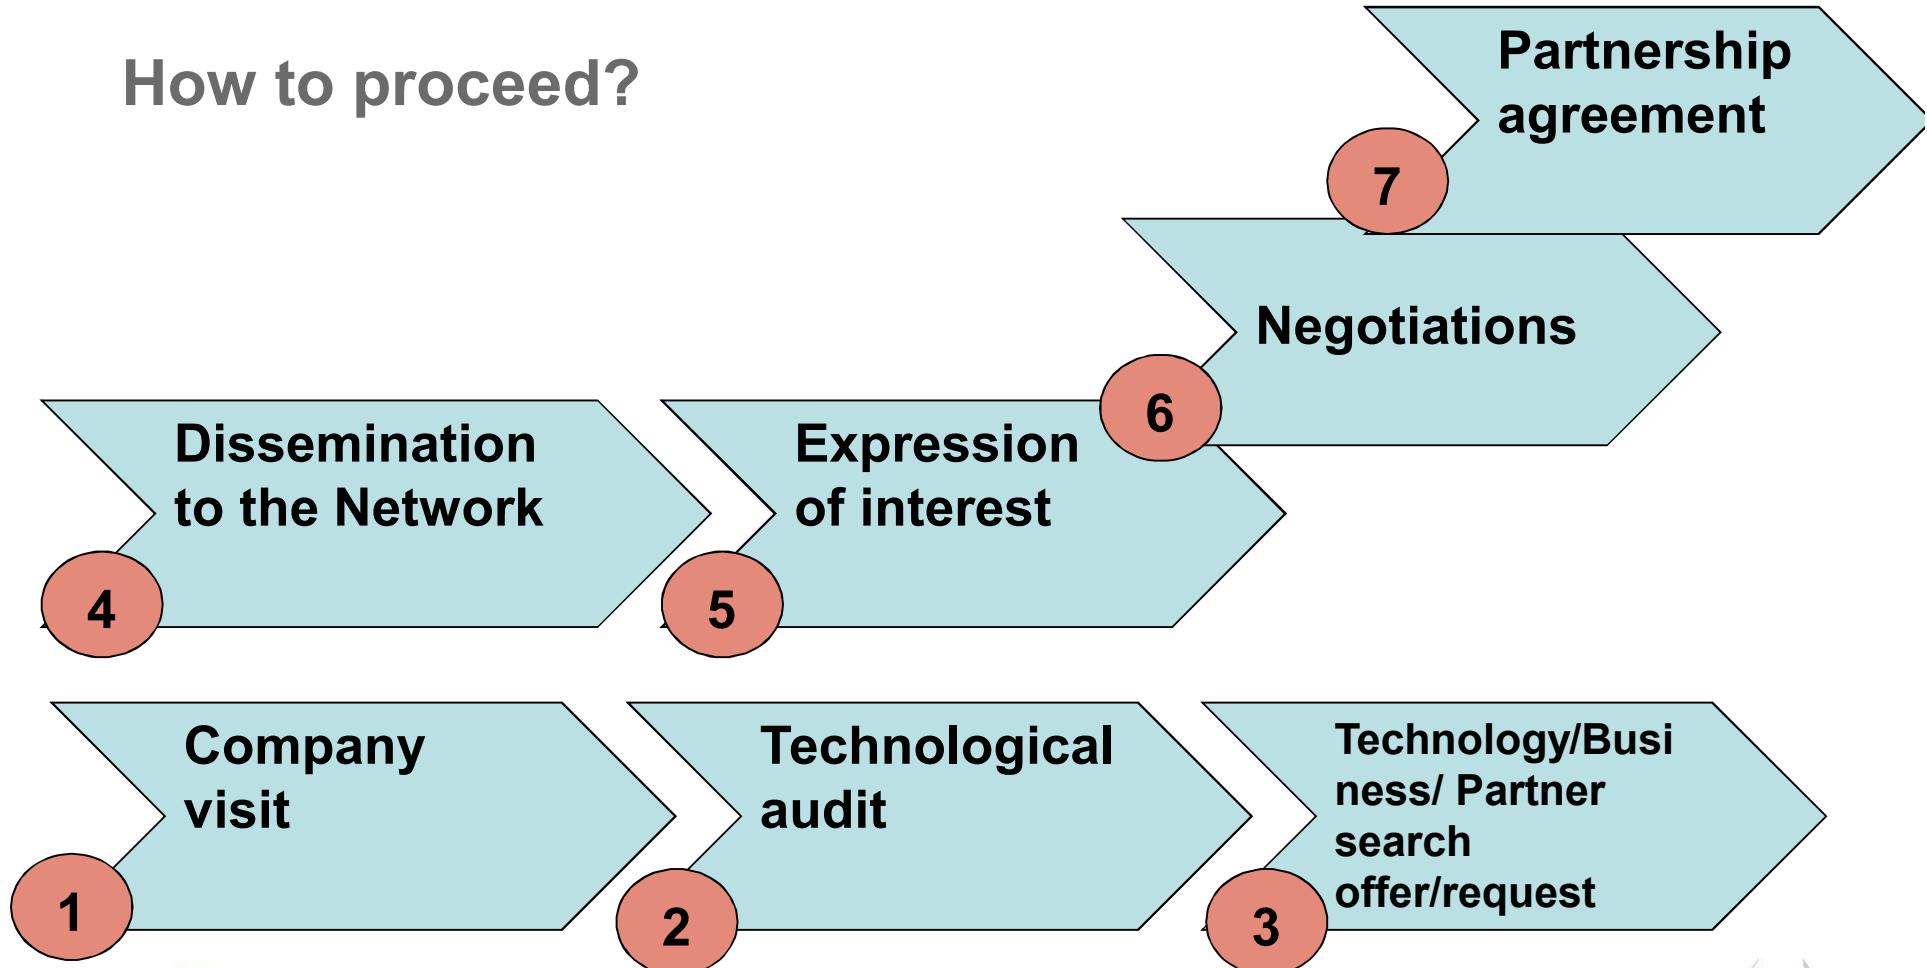

EEN integrated services (3):

Participation in EU programmes & projects

- Promotion of EU business-related initiatives, policies, funding schemes
- Advice on preparation of project proposal for EU programmes for research and innovations:
 - FP7 and CIP (2007-2013), HORIZON 2020 and COSME (2014-2020)
- Partner search:
 - Framework programmes, Eco-innovation, Intelligent Energy Europe, EEA & Norway grants, Eurostars

How to proceed?

Other EEN tools:

- Brokerage events and company missions
- ✓ Organized within major international fairs and exhibitions
- ✓ Preliminary agreed face-to-face meetings with potential partners (visitors and exhibitors)
- ✓ EEN support during registration and on site
- Brokerage event – Industry Match Making, 7 March 2013, Inter Expo Center, Sofia

Success story

- **Spesima GmbH.**
 - DE-BG firm for specialized systems and automation
- Company mission to Serbia, host of company mission to Bulgaria in 2012
- Outcome – robot for welding steel structures for Serbian manufacturer of boilers, stoves and fireplaces

Forthcoming events:

- **Go Green to Environment, 30 May, Sofia, Inter Expo Center**
water, water treatment, waste management and recycling, energy efficiency and renewable sources
- **AgroB2B @ NSFair , 22 May, Novi Sad (Serbia)**
producers and traders of food, agricultural mechanization, fertilizers and plant protection, packaging, renewables in agriculture, food production equipment, etc.
- **Business Contacts Fair, 31 May, Klaipeda (Lithuania)**

Европейската мрежа в подкрепа на бизнеса

Enterprise Europe Network помага на малкия и среден бизнес да се възползва максимално от възможностите на Европейския пазар. Мрежата работи чрез 600 местни бизнес организации в над 50 страни от ЕС и извън него. Опитни експерти предлагат комбинирани информационни и консултантски услуги за:

- Навлизане на международния пазар
- Трансфер на нови технологии
- Достъп до финансиране от ЕС
- Финансиране на научни изследвания
- Законодателство и стандарти на ЕС
- Защита на интелектуална собственост
- Обратна връзка по политиките на ЕС

България мрежата обединява 14 организации, локализирани в София, Пловдив, Сандански, Стара Загора, Враца, Ямбол, Добрич и Русе.

Изберете контактна точка на Enterprise Europe Network най-близо до вас, като кликнете на картата в дясно.

Научете повече за мрежата.

Потърсете партньори за технологично, бизнес и проектно сътрудничество в базата данни на Мрежата:
