

## СПИСЪК

на представените за участие в конкурса научни публикации

на гл. ас. д-р Мариета Георгиева Христовкова,

катедра Физиология на растенията

кандидат в конкурс за доцент по професионално направление

### 4.3. Биологически науки

(Физиология на растенията-симбиотични взаимоотношения при растенията)

Дисертация: научна специалност: Физиология на растенията, шифър 01.06.16, 2008 г.

**Тема:** Влияние на молибденовия недостиг върху усвояването на азота при азотфиксиращи растения грах и люцерна. Изследване на общия стрес отговор при *Sinorhizobium meliloti* в условия на азотно и въглеродно гладуване
